Halo: What Has To Be Done

Introduction From The Righter:

Hi i just moved to canada from brasil and am trying to make better english skills for me. I like halo games and righting and decided to right this book and i like this website too. Im in english esl in my school and in grate five. anyways the story is here at below this paragraf please read please.

**Halo: What Has To Be Done**

One day master cheef was in his ship in spase in the morning and eating breakfast on the piller of autum. And then an voice on speaker on the wall said to him and said to the room he was in "the aliens are attacking get weappons to battle them because they are aliens and they are bad" and master cheef finished his breakfast and he finished his juice to befor going to the weappon place to get the Gun. Also the voice on wall speaker was cortona. So when master cheef got the Gun and his grenaides and also a rocket gun and a worthog car from the place he made other soljers get in his worthog car to use the torret gun and to sit in the side seat on the car. Also he gave the guy in the side seat a laser gun and took his snipre gun and drove the worthog on a ramp to get above a wall and did a flip aswell. And then master cheef went to the landing place where cariing ships and also pelicen ships where landed and got into pelicen ship but stayd on his worthog car because it is useful and he wanted to use it. So the pelicen ship flu to door were space was and flu thru door were space was and flu into space.

So then the speaker voice said to master cheef and the soljers in pelicen ship "you havve to kill the aliens or we will not live

because are gun is broken and cant shoot alian ship. So then master cheef sad ok and pelicen ship landed in alian ship. Master cheef drove his worthog car out of pelicen and started shotting the aliens with his sniper gun and also the torret gun on the car was helping to and so was the soljer in side seat of car who had rocket gun. So then master cheef shot the enemys because they were bad and they died. Then he used his rocket gun to jump from worthog car and onto second floor and killed the enemy aliens there and went thru the door thta said that it was the door to the contrpl room. And then master cheef saw the captain of alian ship and said "stop shooting hummans and we dont half to figt." but alian captain laffed at him and master cheef shot captain with the Gun and used pelicen ship to fly back to his ship.

Then master cheef whent to control room on his ship and saw cortona and cortona said "put away your weappons master cheef because the aliens are dead" but now there where fluds everywhere and master chef said "i cant put my weappons away" and cortona said "why" angerdly and master cheef said "because you are a flud" and shot cortona with his laser gun but she didnt dye. So then he stabled he with the energy sword and she dyed this time. And then master cheef looked at outside of spase and saw stars and saw planet to and saw stars and good things and said "i half to do what has to bed one!"

But there where still fluds on the ship.
